## About Folds of Honor

Folds of Honor is a nonprofit organization that provides educational scholarships to the spouses and children of military members who have fallen or been disabled while serving in the United States Armed Forces. The educational scholarships support private school tuition or tutoring in grades K-12, tuition for college, technical or trade school and post-graduate work, including a master's degree, doctorate, or professional program.

Since its inception in 2007, Folds of Honor has awarded over 52,000 scholarships totaling more than \$244 million. Among the students served, 45 percent are minorities. **With the help of supporters, the St. Louis Chapter alone has raised millions in educational impact, with hundreds of scholarships awarded over the years!**

It was founded by Lt Col Dan Rooney, the only-ever F-16 fighter pilot (with three combat tours in Iraq) and PGA Professional. For more information or to donate in support of a Folds of Honor scholarship visit [stlouis.foldsofhonor.org](http://stlouis.foldsofhonor.org)

**Honored Guest:** A Folds of Honor scholarship recipient will be in attendance to share a story about how this incredible organization impacted their life.
